## **Covid-19**

Dear parents,

Thank you for entrusting your child to 3D Christian Academy to continue and complete his / her school career.

Since the outbreak of the Covid-19 virus in South Africa, the normal has unfortunately changed for everyone to the so-called "new" normal, which imposes various requirements on all of us. At 3D, we have put in place various safety measures to ensure your child's safety.

Upon arrival, the child moves through sanitation stall, thus spraying his clothes and suitcase, for any bacteria or viruses. The child then moves to Reception, where he / she disinfects hands, fever is taken and questions must be answered for Covid-19.

During classes, only small groups of children are allowed per class, to ensure social distance. Masks are worn at all times, as required by the Covid-19 regulations.

However, you as a parent are kindly requested to encourage your child to adhere to and apply all safety precautions, for the sake of everyone's safety. Should anyone show any symptoms, you are requested to keep the child at home for 10 days or until a negative test has been done. Should anyone catch Covid-19, there is protocol in place, to ensure everyone's safety.

Thank you in advance for your support.

**Hannes Visser**
