Geagte ouers,

In tye waarin ons leef, raak die behoefte al hoe groter om mense te ondersteun, nie noodwendig finansiël nie, maar ook met noodsaaklike benodighede soos voedsel en klere. Die meeste van ons is nog in 'n posisie om elke dag 'n bord kos te kan eet of klere aan te trek. Daar is soveel mense daar buite wat nie dieselfde voorreg het as ons nie. Met in gedagte dat die winter alweer sterk oppad is, wil 3D Christelike Akademie 'n insamelingsprojek van stapel loods. Ons voel baie sterk om 'n verskil te maak in ons onmiddellike samelewering. Ons beoog om deur van almal se bydraes en donasies van blikkies kos of gebruikte klere wat nie meer gebruik word nie te oorhandig aan die plaaslike welsyn. Indien u 'n bydrae kan maak, sal dit baie waardeer word, as u die nodige items by 3D Christelike Akademie kan aflewer. Dit sal weer van daar aan die plaaslike welsyn oorhandig word vir verdere verspreiding. Ons beplan om teen die einde van elke kwartaal alle skenkings te oorhandig.

Vir enige navrae kontak vir Hannes gerus by: 071 677 3385 of epos: [hannes@3dacademy.co.za](mailto:hannes@3dacademy.co.za)

Byvoorbaat dankie vir elkeen se bydrae.

Dear parents,

In the time that we live in, the need to support people is growing, not necessarily financially but also with essential necessities such as food and clothing. Most of us are still able to eat a plate of food or put on clothes every day, but there are so many people out there who do not have the same privilege as us. Bearing in mind that winter is fast approaching, 3D Christian Academy wants to launch a fundraising project. We feel strongly about making a difference in the immediate society. We aim to donate it to the local welfare through everyone's contributions and donations of canned food or clothes that are no longer used.

If you can make any contributions, it will be greatly appreciated if you can deliver the necessary items to 3D Christian Academy, after which it will be handed over to the local welfare for further distribution. We plan to hand over all donations by the end of each term.

For any inquiries, please contact Hannes at: 071 677 3385 or email: [hannes@3dacademy.co.za](mailto:hannes@3dacademy.co.za)

Thank you in advance for everyone's contribution.

Hannes Visser
